

Greetings all,

I hope you all are having a wonderful summer. My name is David Sharp and I will be the new drum line coordinator for the 2017 and 2018 seasons. I have just graduated from West Virginia University with bachelors in music and this upcoming fall I will be starting my masters in percussion performance. In this packet of information you will find material that will be used for the audition process and throughout the entire season. To give yourself the best chance of earning a position on the instrument you desire; it is important that you come prepared to absorb all of the knowledge given at camp. Mastering all of the content in this packet will increase your ability to receive and apply information to improve your playing. When you come to camp and audition, it is expected that all of the music in this packet be memorized.

If you have any questions please contact me through my email address below. I look forward to meeting, working, and drumming with all of you!

David Sharp
